Dear Beer Lovers,

Welcome to the 13th Annual Big Texas Beer Fest! It's a true honor to gather with you today to celebrate not just incredible craft beer, but also the spirit of community, connection, and generosity that has made this event such a staple in our lives for over a decade.

Throughout the years, this festival has been more than just a celebration of beer. It's been an opportunity for us all to come together and make a difference in our local community. Thanks to your support, we have proudly been able to donate a portion of our proceeds to the North Texas Food Bank, providing meals to those who need it most. Over the years, our contributions have helped feed thousands of individuals and families in North Texas, and this year, we hope to continue that legacy of kindness and support.

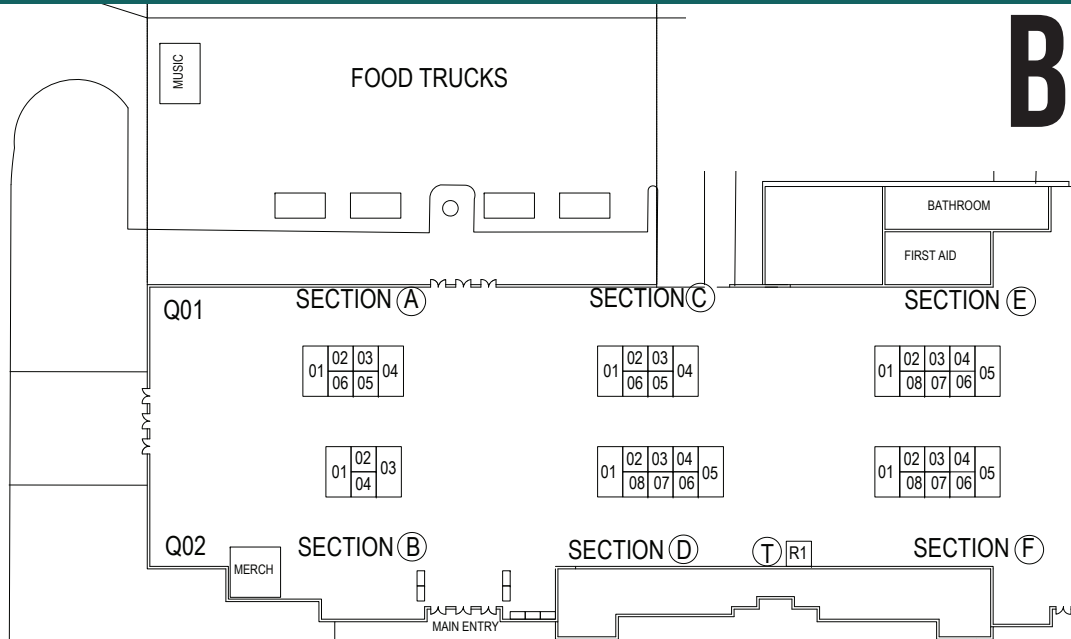

In today's world, finding ways to connect with each other is more important than ever. Our world can feel fragmented at times, but events like this remind us that shared passions, like craft beer, have the power to bring us together. We encourage you to engage with your fellow festival-goers, try something new, and discover new favorites, all while building bonds that can last far beyond today.

And speaking of craft beer – we are fortunate to witness the creativity, innovation, and passion that independent breweries from all across the nation pour into each and every brew. But, as many of you may know, craft breweries are facing some of the toughest times in their history, fighting to survive in an ever-changing landscape. These breweries are the heart and soul of our craft beer community, and your support makes all the difference. By enjoying these brews today, you're not only tasting the fruits of their labor, you're also contributing to the survival of these incredible small businesses.

So, as you sip, savor, and enjoy, know that you are helping to foster connections with one another, supporting local breweries, and making a positive impact on our community. Thank you for being a part of this wonderful tradition, and for your continued generosity and support.

Let's raise a glass to 13 years of community, connection, and great beer. Cheers to many more!

Warmly,
Nellie & Chad Montgomery
